SAN DIEGO REGIONAL ENERGY NETWORK

TRIBAL ENERGY & CLIMATE COLLABORATIVE

Tribal Energy Upgrade San Diego

Tribal Energy Upgrade empowers Tribes through energy-related initiatives that advance Tribal energy sovereignty in San Diego County. We provide **one-on-one technical assistance and support with funding, implementation, education and outreach** to ensure San Diego Tribal communities are leading the clean energy transition.

Serving San Diego's Tribal Communities

We serve federally recognized Tribal governments in San Diego County served by SDG&E.

Eligible Building Types include:

- Tribal government facilities
- Commercial buildings
- Residential housing
- Educational facilities

What You Get

- **Energy savings**
- **Incentives for building energy upgrades**
- **No-cost, one-on-one technical assistance**
- **Energy efficiency building audits**
- **Incentives for your time and engagement**
- **Reduced facility power outages**
- **Support to identify relevant upgrades and incentives to meet your Tribe's energy resilience goals**

The San Diego Regional Energy Network is administered by San Diego Community Power and the County of San Diego and funded by and for California utility ratepayers under the auspices of the California Public Utilities Commission.
